

## BIG SANDY NEWS

LOUISA, KY.

Marshal Pigg is sick with rheumatism.

Hard rain Sunday, and the boats are all out.

Fresh Cigars received weekly at the Post Office.

Worth Burns is visiting at Capt. Frank Fretze's.

Born, Monday morning, to H. T. Lytleton and wife, a daughter.

Senator and Mrs. Wallace and Mrs. Northup went to Cincinnati last week.

From 10 to 50 different brand Cigars, and as many different flavors to choose from at the P. O.

We have known ladies to walk up street with Gentlemen just to get the delightful aroma of a P. O. Cigar.

The windows of some of our merchants, those who advertise, we mean, are showing decided symptoms of Christmas fever.

Friday night is Chapter night, Saturday night is Lodge night in Cassville, and next Monday night is meeting night of Apperson Lodge.

All the Boys smoke the wonderful Solace two for 5c or five for 10c at the P. O.

Sanford Duncan, one of the most popular trade missionaries on the road, has quit the Big Sandy, and gone to Nashville. Good luck go with him.

Mr. and Mrs. Burns went to Cincinnati last week to see Miss Thurasa, who was sick. They returned Saturday bringing their daughter with them. We are glad to know she is better.

Prichard and Billups, our mighty hunters, have returned from a protracted visit to the Blue Ridge, bringing their trophies with them. Our table, however, is still "bare" of meat—it was too "dear."

No other medicine has won for itself such universal approbation in town, city, state, and country, and among all people, as Ayer's Sarsaparilla. It is the best combination of blood purifiers, with Iodide of Potassium and Iron, offered to the public.

A clear head is indicative of good health and regular habits. When the body feels heavy and languid, and the mind works sluggishly, Ayer's Cathartic Pills will wonderfully assist to a recovery of physical buoyancy and mental vigor. The constipated should use them.

A VERY REMARKABLE RECOVERY. Mr. Geo. V. Willing, of Manchester, Mich., writes: "My wife has been almost helpless for five years, so helpless that she could not turn over in bed alone. She used two bottles of Electric Bitters, and she is so much improved, and she is able now to do her own work."

Electric Bitters will do all that is claimed for them. Hundreds of testimonials attest their great curative powers. Only fifty cents a bottle at R. F. Vinson's Drug Store.

If you want to know what to get for the holidays, and where to get it, just look over the generous advertisements of Leo Frank and Jas. A. Hughes & Co., which appear in this issue of the News. Hughes & Co. have an elegant assortment in their line of goods, and Frank has the finest lot of jewelry, notions and silver ware ever seen in Louisa. Both are excellent houses and sell cheap for cash.

EXCITEMENT IN TEXAS. Great excitement has been caused in the vicinity of Paris, Texas, by the remarkable recovery of Mr. J. E. Corley, who was so helpless he could not turn in bed, or raise his head; every body said he was dying of consumption. A trial bottle of Dr. King's New Discovery was sent him. Finding relief, he bought a large bottle and a box of Dr. King's New Life Pills; by the time he had taken two boxes of Pills and two bottles of the Discovery, he was well and had gained in flesh thirty-six pounds. Trial Bottles of this Great Discovery for Consumption free at R. F. Vinson's Drug Store.

## THE GROCERS.

USE **HALL'S HAIR RENEWER.**

It is a medicinal preparation, and, at the same time, an elegant and cleanly toilet article. Its action upon the scalp is healthful. It nourishes the glands which support the hair, and causes thin, dry hair to become thick, soft, and vigorous. It restores the color of youth to locks which have become faded with age or disease; and relieves and cures itching, caused by humors of the scalp. Dr. George Gray, Nashua, N. H., writes: "It gives me pleasure to testify to the wonderful effects produced by Hall's Vegetable Sclerian Hair Renewer, as observed by me in very many cases. IT WILL CERTAINLY RESTORE THE HAIR TO ITS ORIGINAL COLOR. It cleanses the head of dandruff, and leaves the hair soft, glossy, and beautiful." F. T. Sandheim, 1010 Spruce St., Philadelphia, Pa., writes: "After unavailing trying a number of preparations to prevent my hair from falling out, and, realizing that I was fast becoming bald, I tried, as a last resort, Hall's Hair Renewer. I have used only four bottles of the Renewer, and am perfectly satisfied. It is the best preparation in the market for checking the falling out of hair, invigorating the hair roots, and promoting a new growth."

**Buckingham's Dye** FOR THE **WHISKERS**

commends itself to all who have occasion to use a dye for the beard or mustache. It will change gray, faded, or sandy whiskers, to a beautiful brown or black, as desired. The colors produced are natural and lasting. It cannot be washed off, contains no destructive ingredients, is cheap, safe, convenient to use, and effectual.

PREPARED BY **R. F. HALL & CO., Nashua, N. H., U. S. A.** Sold by all dealers in medicines.

To OUR CUSTOMERS who have been running accounts with us—We are anxious to get all accounts settled up by the first of January, as we expect to make some change in our business at that time. **SNYDER BROS.**

Our readers must bear with us for a while, for our briefness in locals and editorials. The holiday season draweth nigh, and our enterprising merchants are making themselves known through our columns.

We ask the attention of our readers to the four-column—but what is the use of asking attention? The great big array of merchandise and prices catches the eye at once and proclaims to the world that C. D. Norris & Co., lead in holiday dainties and seasonable refreshment for the inner man and woman.

**Be Warned**

In time. Kidney disease may be prevented by purifying, renewing, and invigorating the blood with Ayer's Sarsaparilla. When, through debility, the action of the kidneys is perverted, these organs rob the blood of its needed constituent, albumen, which is passed off in the urine, while worn out matter, which they should carry off from the blood, is allowed to remain. By the use of Ayer's Sarsaparilla, the kidneys are restored to proper action, and Albuminuria, or

**Bright's Disease**

is prevented. Ayer's Sarsaparilla also prevents inflammation of the kidneys, and other disorders of these organs. Mrs. Jas. W. Weld, Forest Hill St., Jamaica Plain, Mass., writes: "I have had a complication of diseases, but my greatest trouble has been with my kidneys. Four bottles of Ayer's Sarsaparilla made me feel like a new person; as well and strong as ever." W. M. McDonald, 46 Summer St., Boston, Mass., had been troubled for years with Kidney Complaint. By the use of Ayer's Sarsaparilla, he not only

the disease from assuming a fatal form, but was restored to perfect health. John McLellan, cor. Bridge and Third Sts., Lowell, Mass., writes: "For several years I suffered from Dyspepsia and Kidney Complaint, the latter being so severe at times that I could scarcely attend to my work. My appetite was poor, and I was much emaciated; but by using

**AYER'S Sarsaparilla**

my appetite and digestion improved, and my health has been perfectly restored."

Sold by all Druggists.
